

Five-Frame

You will use the five-frame in Chapter 3 to help your child learn to recognize quantities up to five.

Number Race Game Board

You will use this game board to play Number Race in Chapter 5.

Number Cards

You will use the number cards to introduce your child to written numerals in chapter 5. You will also use the number cards to compare numbers in Chapter 6.

Directions: Cut out the number cards on this page and the following two pages so that you have two sets of the numbers 0–10. (For sturdier cards, copy them onto cardstock first.)
